Congratulations!

High School Students Of The Week

Congratulations!

My nominee for Student of the Week October 26 – 30 is Megan Green. Megan proves her sense of responsibility each day in her independent class. She completes her work in class and is often asking for more. This responsibility, along with her positive attitude and easy laughter, makes her a wonderful student. ~ *Mrs. Huebner*

I pick Abby Cisewski for student of the week December 7 – 11. Abby is such a hard worker and never complains about her school work. She does it without being asked and does it to the best of her potential. She is always respectful to staff and students. She works quietly during expected work time and always makes the

atmosphere of the classroom a positive one. Abby is a great student and one of the most caring people that I know. ~ *Mrs. Gille*

Student of the Week November 2 – 6: I think Maryah Cook is so unique! She is so smart and is a quick learner! I love her attitude toward learning something new; she's so determined! She doesn't hold back either - maybe in some instances she's hesitant to try something but she gets over any fear pretty quickly and I love how she speaks whatever might be on her mind! I also adore her readiness in

helping others. She's so genuinely kind and I think she's just an overall amazing student and individual. ~ *Christy Ehlert*

My nomination for Student of the Week December 14 - 18 is Megan Manske. Megan always has a smile on her face and is a friend to seemingly everyone. By staying active in various activities, both in and out of school, such as FFA, Student Council and Teen Leadership, she is truly a great role model to other students here at

AB Schools. She is a delight to have in class and demonstrates a strong work ethic. ~ *Mrs. Rykal*

Joel Turzinski is my choice for Student of the Week November 9 - 13. The most important quality a student can possess is respect. I feel that Joel respects all his teachers by doing what is asked of him and never complains about assignments. I enjoy interacting with Joel, as he always presents himself in an appropriate manner. I believe he is one of my hardest

working students and strives to complete quality work both in the shop and on book assignments. ~ *William Wagner*

My student of the week December 21 - 23: Zachary Helmrick. He has not missed any Geometry classes this year! He has a 95% completion rate on his homework assignments. Zach sits down and gets his notebook out and is ready to start the day. Zach consistently performs well on tests and quizzes. Zach is super respectful and a joy to have in class. It has been my

pleasure having Zach in class this year. Thank you for letting me be your teacher. ~ *Mrs. Ciula*

I nominate Joe Crahan as Student of the Week November 30 – December 4. Joe is currently a senior and has been a leader in his class since his freshman year. He has consistently achieved high grades and has continued to challenge himself by taking AP US History and college courses through UWSP. Joe is active in extracurricular activities. In addition, Joe has been instrumental in producing the

school's morning announcements. Joe has represented A-B in the finest ways possible. ~ *Mr. Nagel*

I have chosen Alondra Guerra as my student of the week January 4 - 8. She always comes to school with a positive outlook. Alondra thinks deeply about her school work and she is able to "step in" other student's shoes to see where they are coming from. She has been a positive role model for the younger art students. Alondra is motivated and a

hard worker! ~ *Miss Ziebell*

Proposed "Caps" for Special Education Programming (2016-17 School Year)

Under the new open enrollment (OE) laws for the 2016-17 school year, school districts are required to accept all open enrollment requests for students that receive special education programming except under the following circumstances: 1) the district does not have the special education available that is listed in the student's current IEP or 2) the district does not have any available "slots" open for the programming listed in the student's current IEP. State law indicates that available "slots" for the following school year must be determined or set during the current January BOE meeting.

Celebrate National School Breakfast Week (March 7-11) by Encouraging Your Student To Eat Breakfast at School!

Mornings can be really crazy...the alarm doesn't go off...the kids don't want to get up...there's no time to eat breakfast before the bus comes...or they're just not ready to eat. Or maybe your teenager grabs a can of soda and a candy bar on the way to school. If this sounds like your house, we have good news for you.

Breakfast is served at school! School breakfast will energize your child's day and provide them with a healthy start. A nutritious breakfast helps students be more alert so they can learn more in class, and has plenty of vitamins and nutrients for a strong and healthy body.

Breakfast at school is affordable, too. If you qualify for free and reduced price meals, you also qualify for the breakfast program, with no additional paperwork. You can't find a healthy breakfast at such a low cost anywhere else.

So help your child start the day right with school breakfast!

Almond-Bancroft Recipient of New Salad Bar

School Board member Catherine Guth provided Administrator Dan Boxx information about the Let's Move Salad Bars to School™ program. Mr. Boxx completed the grant information and our school district was awarded a new salad bar courtesy of the United States Potato Board, a supporter of the Let's Move Salad Bars to Schools™ program.

The new salad bar is much larger than our existing salad bar and has all ready been put to good use. Middle school students Courtney Lukas and Paige Turzinski are pictured using the salad bar.

Our school lunch program would like to thank the United States Potato Board for this wonderful addition to our lunch room.
